

OUTSTANDINGLY BRITISH
2019 COLLECTION

ABOUT SUNWISE®

Sunwise® was founded in 1996 after high demand for affordable performance sports eyewear. Parent company Trans-Global Sports Ltd has led the way in quality and service in the sports industry since 1988. Sunwise® 2019 collection provides outstandingly British performance eyewear for all sporting and leisure activities.

Sunwise® is committed to excellence and making their products available worldwide. This excellence has been recognised by the Department for International Trade and the media with the brand winning multiple awards including "Demonstrating Excellence in International Trade".

SUNWISE® COMMUNITY

Supporting the community has always remained at the heart of Sunwise®. The community has continued to grow in the form of stockists, distributors, sponsors and the everyday consumer. Many of the innovations and features Sunwise® is known for has come from listening to the community's wants and needs.

The brand can be found at a wide range of sports and outdoor retailers. The sports RX division is established throughout opticians in the UK.

QUALITY & SERVICE

Sunwise® is always seeking new and innovative ways to improve and provide solutions for customers by using the best quality materials.

Each pair of Sunwise® sunglasses comes with a 1 year guarantee against manufacturing defects and a superb after sales service worldwide.

The dedicated customer service team helps to assist with all customer enquiries such as advice on ranges, lenses, spare parts and replacements.

CHROMAFUSION® 2.0

First developed for the British Water Rescue Team in 2008, our Chromafusion® 2.0 lenses provide a solution for changing light conditions, constant reflection and glare from the water surface.

With no need to change lenses from morning until dusk, Chromafusion® 2.0 performance eyewear can handle the most extreme sports and environments whilst completing this season's look for day to day wearing.
